"Elevating the human spirit through luxury design..."

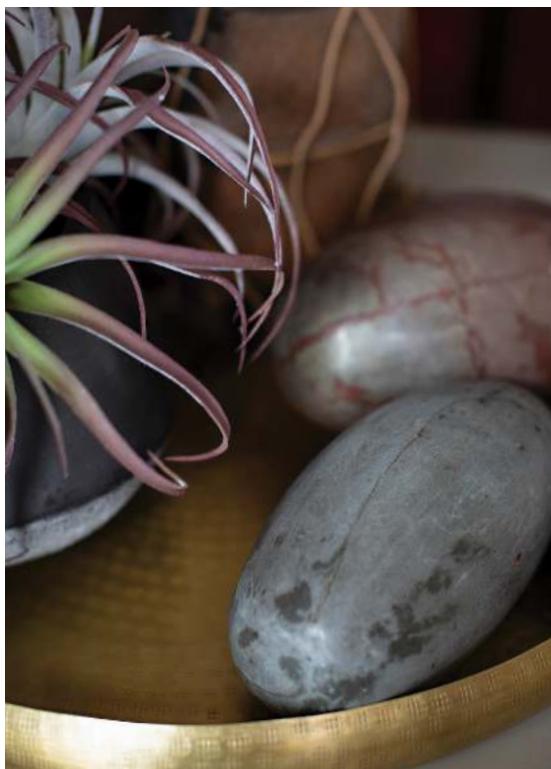

*- Anita Lang  
Founding Principal*

IMI Design is an authority on luxury residential and commercial interior design. Led by principal Anita Lang, IMI offers award-winning, concierge level design and interior architectural services throughout the United States. Since 1992, focus on impactful and client-focused design has led to IMI's recognition and respect within the southwest's top tier interior design firms. IMI believes that each project deserves passion for excellence, a unique approach for innovative solutions, and commitment to design integrity.
